

Dear Friends and Families,

December 10, 2025

It is our ongoing mission to provide the best level of senior care possible. Due to our efforts we have recently been awarded the Best of Senior Living 2021 Award and we are so happy to share that with you! That high honor is awarded to the top 3% of communities across the nation!

With that being said, we strive to continue to educate our caregivers, families and the community. We are starting a series entitled "Dementia Diaries" and we would like your permission to include your loved one in this social media experiment. We will be using cell phone footage of day to day experiences on multiple social media platforms that may include the following.

- Caregiving
- Do's and Don't with Dementia Patients
- Medication Administration
- Behavior Management
- Safety
- Activities of Daily Living
- Grooming and Hygiene
- and More

We will always honor their dignity and respect their privacy and only first names will be used. This is a grand opportunity to serve others.

If you consent to us including your loved one in this project please sign below. Feel free to call Kristy Wilson directly at 210-274-3556

Respectfully,

Zoila M Tapia (Mari)
Owner, Executive Director
Serenity Oaks Assisted Living and Memory Care
6684 Randolph Blvd
Live Oak, Texas 78233

I, _____, POA for Resident
_____, do hereby consent for Serenity Oaks and its staff
to use video or still footage of aforementioned for social media educational purposes.
